• Screw cap for 96 format

- Adopts a screw cap that does not use O-rings, packing, or gaskets.
- Since no sealing material is used, it has good sealing properties and is safe to use.

Product code	Specification	unit	retail price
JSC-OS(EX) (□)	bulk cap	960 pcs	JPY 7,500

* When ordering, please enter the color code in the □ at the end of the product number. (Standard color is R. Example : [JSC-OS(EX) (R)])

Color option for screw cap

Function of Rack ID

- The same alphanumeric information is laser engraved on the bottom of the rack as a 2D code and on the side as a 1D barcode.
- Code specifications [2D code on the bottom (DataMatrix ECC200) + 1D barcode on the side (Code 128) (2-digit alphanumeric characters, 8-digit numbers)]
- By attaching 2D code for Rack ID onto the bottom of Rack, Tube ID and Rack ID can be read at the same time, reducing stress on the sample during reading process. (*However, only when using a reader that can read all at once)
